Application Requirements of Student Exchange Program <2nd Round>
Academic Year 2027 <Fall Departure>

Students MUST read and understand the following before selecting host institutions.

[Important] It is crucial to plan how you earn the required credits for your graduation ahead of time. You must consult your college office (OIC: Manabi Station) about your academic plan.

The information contained herein is provided by each host institution at the time of issuance. Please note that the contents are subject to change without prior notice.

1. Application Requirements

(1) Language Proficiency Requirements

■ There are possibly 3 different language requirements list as below (A, B and C). Applicants must check all the requirements applicable to their situation and language level.

A. Language proficiency test score required at the time of application for the internal screening at Ritsumeikan University

Applicants must meet the language requirement listed under "Application requirements for the screening at Ritsumeikan" at the time of application for the internal screening at Ritsumeikan University.

B. Language requirements to take academic courses without any conditions
These requirements may be different from A. If so, they are indicated under "Remarks".

If the applicant fulfills A but NOT B, the conditions such as mandatory language courses or courses designed for exchange students will apply.

C. Language requirements for specific faculties/courses
Some institutions have varying language requirements for each faculty, department and/or course. They are indicated under " Remarks" only if informed by the partner institutions in advance, but not all the requirements are listed. If the applicant fulfills B but NOT C, the student cannot register the courses offered at the specific faculty or the particular course which requires C.

■ If there are requirements for both English and local language scores in "Application requirements for the screening at Ritsumeikan," you can apply for either English or local language track. Please choose the language in which more than half of your intended courses are taught.

■ Applicants need to submit a copy of valid English Test Score (TOEFL iBT® test /IELTS Academic score/Duolingo English Test) at the time of application when applying for the institutions in English-speaking countries or English tracks.
(Abbreviation) R:Reading, L:Listening, W:Writing, S:Speaking

■ For TOEFL iBT®, only scores from a single test date (Test Date scores) are accepted. MyBest™ scores or Special Home Edition are not accepted. For IELTS Academic, only official test reports for Paper-based test and Computer-delivered test are accepted. Test scores of IELTS Indicator or obtained through the One Skill Retake are not acceptable.

■ For the local language tracks of non-English-speaking countries, applicants must submit a score or certificate of valid language proficiency if required scores are specified. On the other hand, submission of scores or a certificate of valid language proficiency test is not required at the time of application if the status is specified as "Submission Not Required". However, even if submission of a score is not required, students may have to fulfill certain language requirements to take academic courses (see B and C above). You should check "Remarks" and understand the required level of language proficiency when applying to institutions with these specifications.
You may be required to submit a supporting letter by your language instructor as the proof of your language proficiency at the time of application to the host institution.

■ If your first language and selected language of study are the same, you may be exempted from submitting any language test score. If this applies to you, please be sure to consult with the International Center before the application period starts.
e.g.) Language of study: English, Your first language: English

(2) Nationality

■ Students with non-Japanese nationalities must consult the International Center before the application period starts to check the eligibility.

(3) Graduating Year

(4) Graduate Applicants

■ Please make sure to check "1. IMPORTANT POINTS ON APPLICATION AND SCREENING," (10) of "Screening" in the Application Guidelines (Common Edition) as soon as possible. Students who fall under this category are required to complete the prescribed procedures before the application period starts.

However; if September entry 1st year students are considering to apply to the program, they must consult with the International Center before the application period starts.

2. Courses Selection at Host Institution

■ Not only due to insufficient language proficiency, but in some cases, the host institution may decide that you cannot take certain courses even if you fulfill all the requirements at the time of course registration. All applicants are encouraged to have alternative courses selected so that they can stay flexible with their course selection in such situations.

■ Please refer to the reports of former participants and the institutions' websites if no URLs for course lists are listed under "Remarks".
