2. Important notes when filling out the application form (Receive your cash card and PIN, etc.)

Whether you apply through the App or bring your application form to the Japan Post Bank, the cash card and PIN will be sent to your home by registered mail at a later date. If you are not at home at the time of delivery, the following “Undeliverable Item Notice” will be posted to your mailbox. If an “Undeliverable Item Notice” is in the mailbox, you will not be able to receive your card and PIN unless you apply for redelivery yourself. For redelivery, you can read the QR code on the “Undeliverable Item Notice” with your mobile phone or apply from “Re-delivery application” website below.

Your cash card and PIN will be sent in two separate mails. Even if you have one “Undeliverable Item Notice”, there are two separate “tracking numbers (inquiry numbers)”, so please apply for redelivery of the mail for each item.

If you do not receive your cash card and PIN, or either one for more than a month, please contact the Japan Post Bank.
