

*The current Ritsumeikan University Tuition Reduction Scholarship for International Students will end in 2026. Tuition reduction from 2027 onwards has not yet been determined.

Fall Semester 2024 Ritsumeikan University Tuition Reduction and Scholarship Application for Privately-Financed International Students

Dear Ritsumeikan University 2024 Fall Semester Enrollees,

Greetings from the Ritsumeikan University International Center. Please note that students can apply for Tuition Reduction or Scholarship as follows.

Enrolled Semester	Application Period
April	Can apply each year in early April
September	Can apply each year in late September

Note:

Please see the following table about first year students' tuition reduction. Please note that graduate students who have not received a notification from the university that they have been selected for a 100% tuition reduction before enrollment must apply immediately after enrollment.

Undergraduate Students	It will be decided before admission based on the results of the entrance examination.
Graduate Students	Those who would like tuition reduction must apply as soon as they matriculate.

Application Guidelines:

The application guidelines will be posted on the following site by the middle of September, so please check.

In addition to the application guidelines, various information on tuition reductions and scholarships will be posted on the following site, so please check and utilize them.
