Role of the International Center

■ 3 Main Supports

■ Important Notes:

- Academic studies and research are the core of your study abroad experience.
- The “Student” visa is for studying in Japan.
- Poor academic performance may prevent you from renewing your residence card.
- Managing your lifestyle and finances is also important.

*We also provide support for international exchange events, international dormitories, and study abroad opportunities.

Residence Status

Residence Status “Student”

■ What is the Residence Status of "Student"?

- Necessary for continuing your studies in Japan.

■ Important Points

Residence Card Renewal Procedures

- Be sure to complete the renewal procedures before your residence period expires!
- You must handle the procedures **YOURSELF!** (The university will not process it for you.)

If the residence period expires, you cannot stay in Japan!

■ Renewal Process

- ☐ ① Submit the materials to the International Center → Receive the required documents.
- ☐ ② Submit the application documents to the Immigration Office.

**You can start the renewal procedures 3 months before the expiration date.
Complete the process early!**
