

About Extracurricular activities & Globalization Promotion Office

Globalization Promotion Office

Agenda

- 1) What are extracurricular activities
- 2) How to find extracurricular activities
- 3) What is Globalization Promotion Office

1) What are extracurricular activities

- RU has approximately **350 extracurricular student organizations**, including clubs and circles.
- More than **300 organizations are affiliated with the Student Union**, which allows them to use some of the university's facilities.

Each club or circle is classified in **Athletic Association, Arts and Science Association, Academic Association, or Registered Association**, and belongs to one of the extracurricular divisions.

2) How to find extracurricular activities

Circle Collection:

Circle Collection is the booklet that includes information of all groups affiliated to RU Student Union.

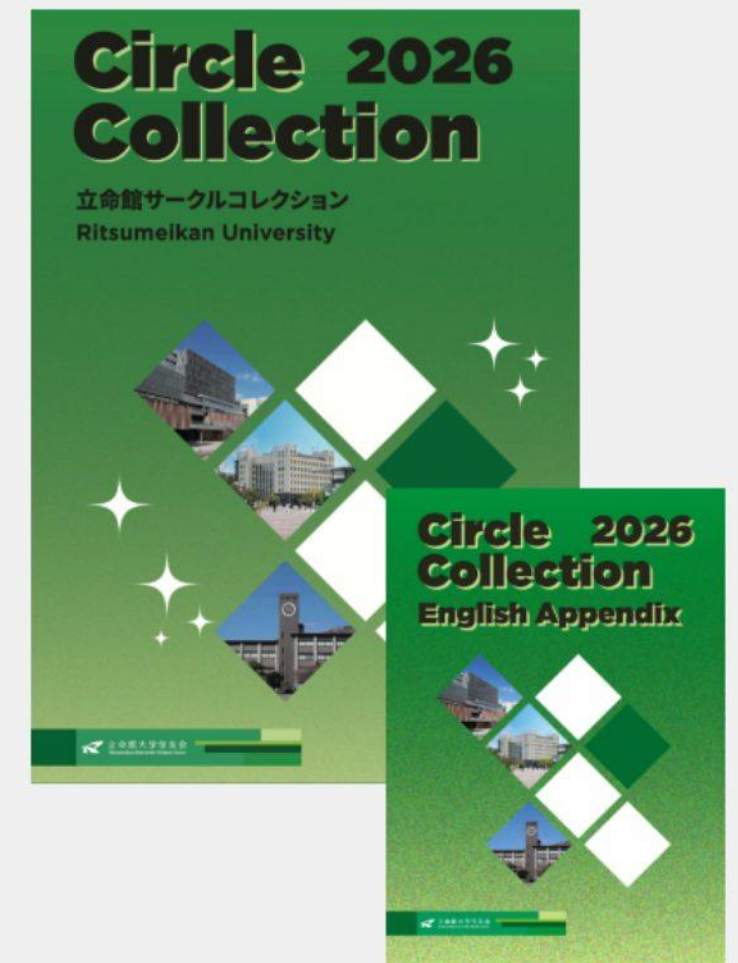

→ Use this to find information about each club and organization!

Social Media:

Find Social Media for club/circle/student group

Seniors • Friends:

Ask seniors or friends who belongs to extracurricular activities!

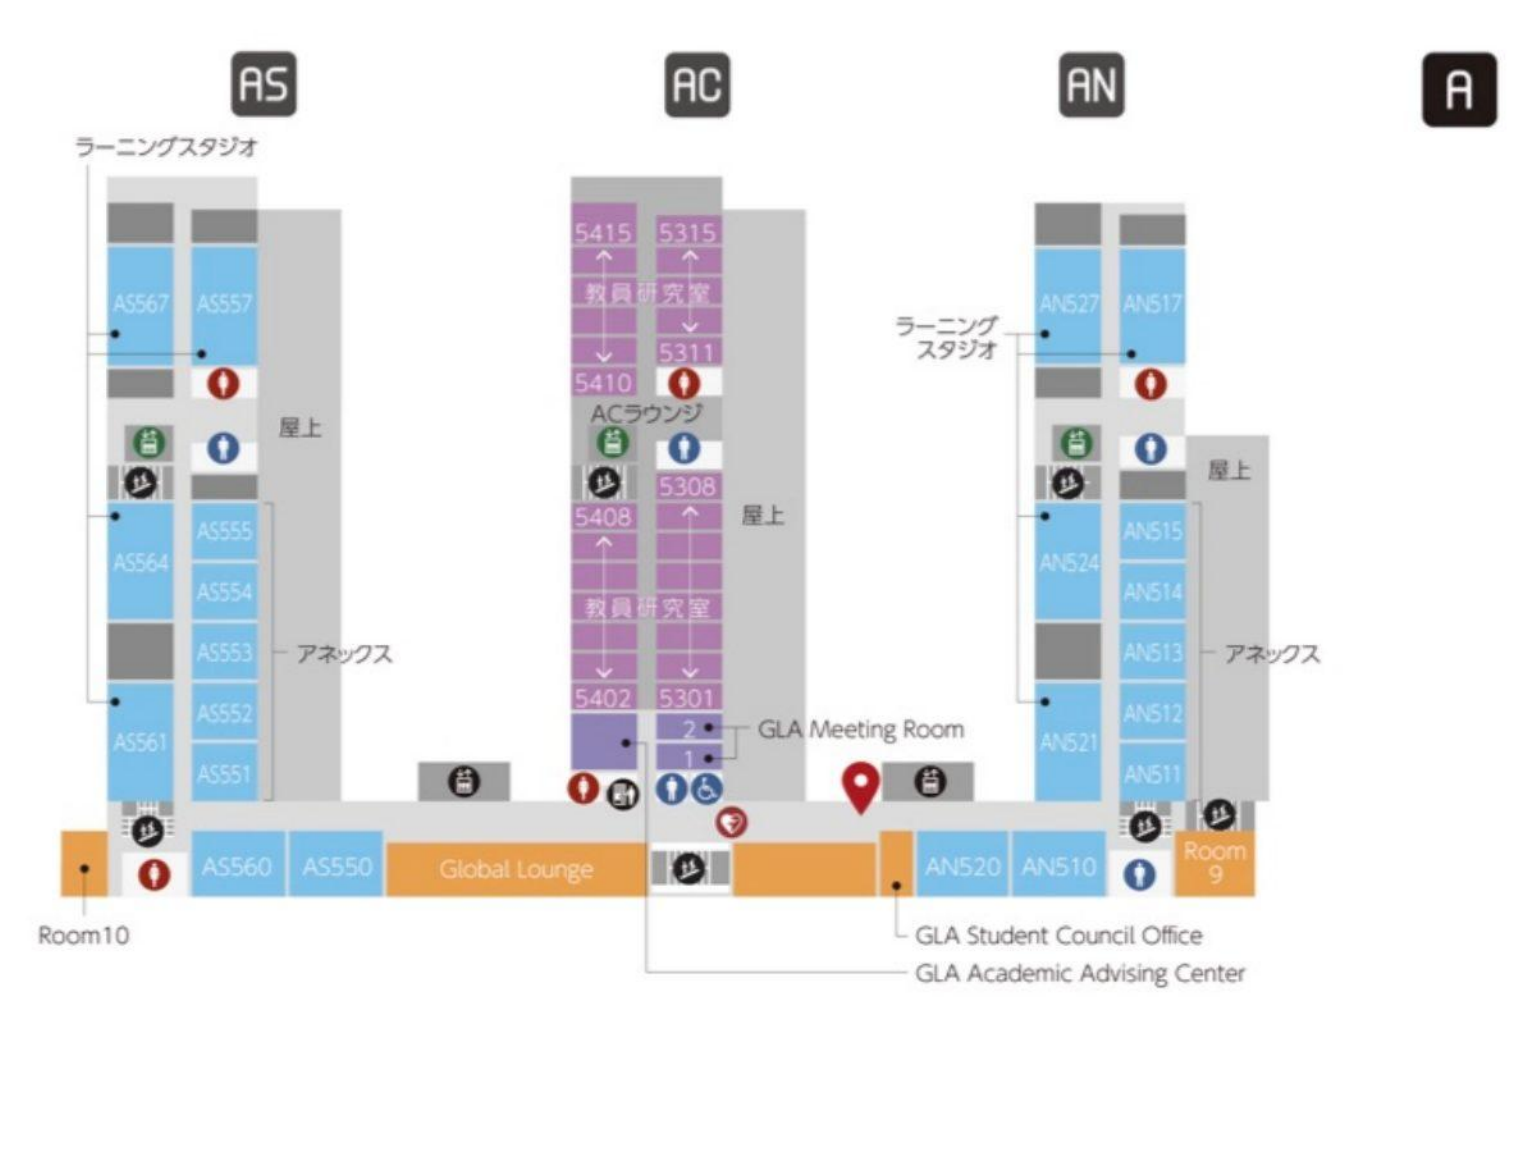

Where can I get Circle Collection?

3) What is Globalization Promotion Office

①Role

- An organization under Student Union that supports students' extracurricular activities
- Provides **bilingual support in Japanese and English** to eliminate language barriers for international and English-basis students.

②Purpose

- To create an environment where students can enjoy university life, regardless of their nationality, language, or cultural background.
- To provide support for English-basis students and others who may not be familiar with Japanese language

③Global Supporters

- Sub-organization that **English-basis and international students can take an active role** as supporters and participate in initiatives promoting globalization!
